Message from Developers

Hello! We need your support to keep creating great games. Developing games is costly and time-consuming, so we are asking for donations to help cover the costs and continue making awesome games for you to enjoy. Even a small donation can make a big difference.

If you're interested in supporting us, please consider making a donation. Also, if you're a company looking to create a private game, We are available to discuss the possibility of working together. Contact us at .

Thank you for your time and consideration.

Best regards,

Joaquin Reynera, Game Developer
